▼ NCA VALUE LIMITS

What each category may contract for.

Per contract, in Kenya shillings, from the National Construction Authority (<https://www.nca.go.ke/local-contractors>, read 16 October 2026). Elevion is registered as NCA 7 in building works and in road works; water works and electrical and mechanical services are separate classes it is not registered in.

CATEGORY	BUILDING	ROADS, WATER, CIVIL	ELECTRICAL, MECHANICAL
NCA 6	KES 50,000,000	KES 100,000,000	KES 20,000,000
NCA 7 (Elevion)	KES 20,000,000	KES 50,000,000	KES 10,000,000
NCA 8	KES 10,000,000	KES 20,000,000	KES 5,000,000

▼ AGPO

Eligible for youth-reserved tenders.

Public Procurement and Asset Disposal Act, 2015, section 157 requires every public body to reserve at least 30% of its procurement budget for enterprises owned by youth, women and persons with disabilities. Elevion holds an AGPO certificate in the youth category; its number is in the register above.

▼ ENGINEERING AND CONSTRUCTION

Building works

New buildings, extensions and renovations, built to your drawings with a priced bill of quantities and a programme.

Roads and drainage

Access roads, estate roads, culverts and drainage, from survey to maintenance.

Boreholes and water

Boreholes, pumps, tanks and water treatment, starting with a hydrogeological survey.

Irrigation and solar pumping

Drip and sprinkler irrigation, powered by solar where the grid does not reach, sized to your crop and your water.

Electrical and mechanical works

Power distribution, lighting, panels, pumps, plumbing, ventilation and steel fabrication.

Project management

Preconstruction, construction management, design-build and BIM, for owners who want one accountable team.

▼ GENERAL SUPPLY

Construction materials

Cement, steel, blocks, pipes, tiles, timber, wire, paint, and electrical and plumbing materials.

Office and school furniture and equipment

Furniture for offices and schools, computers, printers, networking and stationery.

PPE and uniforms

Helmets, boots, high-visibility wear, overalls, gloves, eye, ear and fall protection.

Camp, cleaning and catering supplies

Camp and cleaning supplies, cooking gas, kitchen equipment, utensils and disposables.

Tools, spare parts and maintenance equipment

Hand and power tools, spare parts, bearings, fasteners and maintenance equipment.

Food rations, bottled water and dry goods

Rations, bottled water and dry goods for camps, institutions and relief programmes.
